## SUMMARY OF DISCUSSION

DISCUSSION POINTS	ACTION REQUIRED (by WHO and WHEN)
<p><b><u>Welcome and Introduction</u></b></p> <ul style="list-style-type: none"> <li>Community Restoration Cluster welcomed the participants and thanked them for their participation which was followed by a round of introduction.</li> <li>Due to urgent meeting with government, Livelihood section will deliver presentation on “UNDP CFW” in the next cluster meeting.</li> </ul>	
<p><b><u>Discussion points of previous meeting</u></b></p> <ul style="list-style-type: none"> <li>Decisions of the previous meeting were reviewed and the forum was updated that actions were taken on all the action points.</li> </ul>	
<p><b><u>“ GBV mainstreaming in CoRe’s deliverables” presentation by GBV Sub Cluster</u></b></p> <ul style="list-style-type: none"> <li>Learning Objectives: Review the frameworks, approaches, principles and models that guide our work in this area. Identify the levels and types of GBV Programme interventions that are appropriate for your country context. GBV is a life threatening protection issue primarily affecting women and children. All</li> </ul>	

DISCUSSION POINTS	ACTION REQUIRED (by WHO and WHEN)
<p>humanitarian actors have a responsibility to take action from the earliest stages of an emergency to prevent GBV and provide appropriate assistance to survivors.</p> <ul style="list-style-type: none"> <li>• As per IASC Guidelines for Gender-based Violence Interventions in Humanitarian Settings, 2005 GBV is a life threatening protection issue primarily affecting women and children. All humanitarian actors have a responsibility to take action from the earliest stages of an emergency to prevent GBV and provide appropriate assistance to survivors.</li> <li>• Addressing GBV includes:               <ol style="list-style-type: none"> <li>1. PREVENTION: Activities target the root causes and contributing factors to mitigate risks and modify behaviors</li> <li>2. RESPONSE: Activities focus on mitigating the impacts of GBV to save lives and minimize negative consequences</li> </ol> </li> <li>• Individual Level Actions comprises of Providing information on referral services to survivors and those at risk of abuse, providing survivor case management; establishing survivor-centered psychosocial support mechanisms, implementing appropriate protection and safety mechanisms and ensuring survivors' access to legal aid and services, supporting women's economic, political and social empowerment and establishing women's centers or</li> </ul>	

DISCUSSION POINTS	ACTION REQUIRED (by WHO and WHEN)
<p>other women-friendly spaces.</p> <ul style="list-style-type: none"> <li>• Community Level Actions embraces of Establishing and coordinating integrated GBV response and referral systems; developing SOPs, identifying and mobilizing community leadership to advance women’s rights and promote services for GBV survivors, establishing local data collection systems and information-sharing protocols, developing the capacity of local women’s rights organizations and structures and other civil society actors to support women’s economic, political and social empowerment.</li> <li>• Society Level Actions contains ensuring compliance with relevant international laws and standards, training key stakeholders and actors with national influence on human rights, women’s rights, GBV, etc, monitoring rights violations and implementing national-level protective strategies, assessing and identifying areas for legal and policy reform; advocating, allocating resources and providing technical support to enable that reform and supporting use of aggregate, analyzed data for national and global advocacy.</li> <li>• Ensure the physical safety of survivors and those who help them.</li> <li>• Guarantee confidentiality.</li> <li>• Respect the wishes, rights, and dignity of the survivor, be guided</li> </ul>	

DISCUSSION POINTS	ACTION REQUIRED (by WHO and WHEN)
<p>by the best interests of the child and ensure non-discrimination is the main guideline principles of GBV.</p> <ul style="list-style-type: none"> <li>• For Survivor-Centered Approach in GBV it's important to empower the survivor by putting her or him in the center of the process, embraces each individual survivor's physical, psychological, emotional, social and spiritual aspects. Each person has the right to decide who should know about what has happened to them and what should happen next, each person is unique, each person reacts differently to GBV and will have different needs as a result and each person has different strengths, and coping mechanisms</li> <li>• To effectively identify GBV and design and deliver inter-agency programmes that address GBV we must have, clear roles and responsibilities (and accountability for action), Knowledge and skills to carry out those responsibilities.</li> <li>• The UN Resolution 1325 stresses four main areas of concern               <ol style="list-style-type: none"> <li>1. The participation of women in peacebuilding</li> <li>2. The inclusion of a gender perspective in peace processes and training to promote gender perspective in peace building</li> <li>3. The protection of women from violence in crisis and war</li> </ol> </li> </ul>	

DISCUSSION POINTS	ACTION REQUIRED (by WHO and WHEN)
<p>areas, especially from rape</p> <p>4. The inclusion of gender perspective in UN reports and mechanisms for the implementation of peace agreements</p> <ul style="list-style-type: none"> <li>Increasing women’s involvement in peacebuilding/ promotion measures, recognizing the ways in which women and men are affected differently by conflict, preventing gender-specific violence against women and girls and protecting the rights and needs of women and girls in armed conflict, developing and implementing National Action Plans, assuring gender budgeting and setting identifiable benchmark and time lines for implementation will enable UN SC resolution 1325 be more effective.</li> </ul>	<ul style="list-style-type: none"> <li>Cluster coordinator to share presentation along with contact details of GBV SC focal person with members.</li> </ul>
<p><b><u>Update/feedback on CoRe Cluster’s 1<sup>st</sup> quarter’s target, funding &amp; NOC status</u></b></p> <ul style="list-style-type: none"> <li>Cluster members were updated on achievements against 1<sup>st</sup> quarter’s target which are low due to access and funding issue.</li> <li>For HSP 2016 CoRe cluster has requested 22.7 million USD and till date on 9.9 million USD have been contributed. 12.8 million USD is remaining to fill the funding gap. Cluster members were requested to share updates about their funding situation relevant with CoRe activities to incorporate in the funding tracking list.</li> </ul>	<ul style="list-style-type: none"> <li>Cluster to share funding list with cluster member to update accordingly.</li> </ul>

DISCUSSION POINTS	ACTION REQUIRED (by WHO and WHEN)
<ul style="list-style-type: none"> <li>NOC tracking list was shared with the cluster members and requested to share their updated NOC status accordingly.</li> </ul> <p><b><u>AOB</u></b></p> <p><b><u>Update on STAIT (Senior Transformative Agenda Implementation Team) 6-8 April 2016</u></b></p> <ul style="list-style-type: none"> <li>The overall purpose of the STAIT mission is to reflect on the effectiveness of the humanitarian response in Pakistan, specifically relating to the Transformative Agenda and to identify how to support the response in accordance with the needs of affected people.</li> <li>The key objectives of the mission were: Review the current humanitarian coordination structures and their effectiveness in responding to the humanitarian challenges in Pakistan, contribute to a ‘culture shift’ in the way humanitarian actors work together by improving understanding and knowledge of the Transformative Agenda at field level, strengthen the practical and contextual application of the TA protocols in Pakistan for a more effective and accountable response by facilitating an HCT- owned action plan to address gaps/issues, facilitate HCT decisions on</li> </ul>	

DISCUSSION POINTS	ACTION REQUIRED (by WHO and WHEN)
<p>how to strengthen collective leadership, coordination, and accountability, resulting in a HCT- owned action plan to address gaps/issues, support the HCT to develop an action plan that complements the Humanitarian Strategic Plan 2016 that reflects the issues and approaches to the response in Pakistan, including stabilization, disaster preparedness, long-lasting solutions for refugees, displaced, returnees and other vulnerable people, and transitioning from humanitarian response to government led response structures and action and identify how the ‘protection focus in all humanitarian assistance’ is applied in Pakistan to support learning elsewhere.</p> <ul style="list-style-type: none"> <li>• Mission has bilateral meetings with cluster coordinators, cluster members and IMWG for the assessment on cluster coordination mechanism, on accountability to effected peoples, protection/GBV mainstreaming in inter cluster, leadership, gaps and needs to address at field, provincial, national and global level.</li> </ul> <p><b><u>Update on Inter Cluster mission to Kurram, Orakzai &amp; NWA</u></b></p> <ul style="list-style-type: none"> <li>• An inter cluster to Kurram (151 villages, 12,000 families) &amp; Orakzai (entire Orakzai &amp; 15,500 families) is in process. Report/findings of the mission will share with the cluster once</li> </ul>	<ul style="list-style-type: none"> <li>• Cluster coordinator to share final report of STAIT mission with cluster member.</li> </ul>

DISCUSSION POINTS	ACTION REQUIRED (by WHO and WHEN)
<p>finalized.</p> <ul style="list-style-type: none"> <li>• NWA inter cluster mission will take place later on due to NOC issues.</li> </ul> <p><b><u>Update on PHPF &amp; CERF</u></b></p> <ul style="list-style-type: none"> <li>• In the end of April 2016 funding under Pakistan Humanitarian Pooled fund and end of June 2016 Central Emergency Response Fund will be initiated in Pakistan. CoRe cluster will advocate effectually for funding to fill the gap to achieve targets accordingly.</li> <li>• On request CoRe Cluster will arrange training capacity building half day training on CERF for members.</li> </ul> <p><b><u>Partners Updates</u></b></p> <p><b><u>1. CRU Update</u></b></p> <ul style="list-style-type: none"> <li>• Under Social Cohesion and Integration in FATA sector CRU has achieved Formation of 75 COs, Construction of 10 community centres and capacity building of 60 Cos.</li> <li>• Rehabilitation of 70 community based infra schemes and paid labour days created for 20,000 locals under restoration of access to basic services and infrastructure</li> <li>• Livelihood / skill training for 460 youth, provision of toolkits to</li> </ul>	

DISCUSSION POINTS	ACTION REQUIRED (by WHO and WHEN)
<p>all 460 trainees / youth, enterprise development training for 370 trainees under job creation and skill development sector.</p> <p><b><u>2. ILO Update</u></b></p> <ul style="list-style-type: none"> <li>• On request of FATA Secretariat ILO has initiated a pilot project of vocational skills in housing reconstruction trades from its own resources.</li> <li>• The objective of project is to train suitable un-skilled workforce and to facilitate them to undertake housing reconstruction in their area. Provide a mean of income generation for the local communities and decrease the shortage of skilled labour for housing reconstruction</li> <li>• The FATA Secretariat proposed for ILO to work in Khyber Agency – particularly focusing on Bara Sub Division. The trainings are imparted in Jamrud area in vocational training center established by FATA-Development Authority (FATA-DA).</li> <li>• The duration of the project is from March 2016 to July 2016</li> <li>• To fulfill the immediate needs of skilled labour, ILO in consultation with stakeholders have selected three most demanding trades. This includes Masonry, Plumbing and Building Electrician.</li> </ul>	

DISCUSSION POINTS	ACTION REQUIRED (by WHO and WHEN)
